Coronavirus Update

We would like to start by saying a huge **THANK YOU** to everyone who has visited us since our re-opening.

In line with the most recent guidelines, the following changes have been made:

1. Face Masks

Anyone joining us for either drinks, food or takeaway, is now required to wear a facemark when inside the building. The face mask can only be removed once seated at a table, and must be worn when using the facilities, going outside for a cigarette or collecting a takeaway.

2. Drinks Only

We are now taking bookings for drink only customers. Using our online booking system or by phoning, you can now book a table in our bar area (subject to availability); we simply ask you to add Drinks Only to the booking comments. If you do not have a booking and visit us for just a drink, we will try to accommodate you inside, however during busy times we cannot guarantee a table being available. Our beer garden is always open, and we have a small area under cover with a heater ready for the colder evenings.

3. Takeaway Service

Our takeaway service is available during our opening hours with our special Tuesday night deal offering 2 Pizzas or 2 Pies for £15. To book a slot for a takeaway collection, please visit our Facebook page by clicking the bell below.

Please be advised that takeaway slots are subject to availability and we advise booking a slot in advance to avoid disappointment.

4. Opening Hours

Under the new guidelines, we ask all customers to have exited the pub by 10pm. Last orders for drinks will be 9:30pm. We are able to take bookings for tables at 8:15pm and 8:30pm, however we kindly remind you that with the new guidelines, you will not receive the full 2 hours at your table.

Our current opening hours are as follows:

Monday - Closed

Tuesday to Saturday - 4:30pm-10:00pm (Last table 8:00pm)

Sunday - 12:00pm-5:30pm (Last table 4:30pm)

We ask those who have a table booked with us, to **arrive only at the time of your booking**. We have spread our bookings out to avoid two tables arriving at once causing congestion in the bar area. If you are early, we ask you to wait in your car, and if running late please give us a call so we can continue to hold the table.

For more information on what we are doing to keep you and our team Covid-19 secure, please
